

# Bainbridge Schools Foundation

funds the following at

# Blakely Elementary!

## ➔ **STEM Lab for all Blakely students**

- 50 minutes each week
- STEM Lab provides hands-on opportunities to work collaboratively as a team, testing ideas and learning from success and failure

## ➔ **Reading Club**

for students who could use an extra boost in reading skills

## ➔ **Innovative Classroom Grants**

At Blakely, BSF funded two classroom grants in 2017-18:

- Fun Learning Centers to practice targeted reading skills and enable teachers to increase student reading proficiency
- New Media Art

## ➔ **Teacher Support**

- Mentoring for new teachers
- Collaboration hours
- Professional development

**Please support BSF and help us continue to provide these innovative and important programs for Blakely!**
